PROFILE

Agro-economist with a **Master 1 in Agro-economics** and a Professional Bachelor's degree in Rural Economics and Farm Management (FSA/UAC, with honours), with **10 years of field experience** in collecting, processing and analysing agricultural and socio-economic data for national and international projects (PACOFIDE, PADAAM, DEFIA/Enabel, PAIA-VO, PFC-B, PAPC, CILSS/USAID, PASE). Experienced in value chain studies (cashew, honey, pineapple, rice, maize, market gardening, soybean), environmental and socio-economic impact assessments, field surveys using **Kobocollect / xlsForm**, farmer animation and training, social and environmental safeguards (**HSE**) and reporting. Dual expertise: agro-economics + web development and data (data visualisation, agricultural data collection applications).

KEY SKILLS

- - Data collection and analysis: questionnaire design (xlsForm), field surveys, digitised data collection with Kobocollect / ODK, processing and analysis in Excel, data visualisation
- - Socio-economic studies: agricultural value chains (cashew, honey, pineapple, rice, soybean, maize, market gardening), market studies, environmental and socio-economic impact assessments
- - Monitoring and evaluation: field work verification, plantation follow-up, evaluation of rural development programmes
- - Animation and training: farmer animation, structuring of producer organisations, training of project beneficiaries
- - Social and environmental safeguards / HSE: awareness-raising for local communities and staff, HSE measures follow-up, reporting
- - Tools: Kobocollect, xlsForm, Excel, Open Foris Ground (FAO), GIS/QGIS and remote sensing (basics), digital mapping, Canva
- - Writing and reporting: activity and mission reports, minutes, terms of reference, communication plans

PROFESSIONAL EXPERIENCE

Data Collection Agent / Auditor — APECDI (PACOFIDE)

May – June 2026 | Benin

- - Audit of the establishment of newly installed cashew plantations, under PACOFIDE, with the APECDI firm

Data Collection Agent / Auditor — APECDI (PACOFIDE)

March 2026 | Savè and Bantè Municipalities

- - Audit of rehabilitated cashew plantations, under PACOFIDE, with the APECDI firm

HSE Facilitator — APECDI (Cotonou Stormwater Sanitation Programme – PAPC)

January 2024 – September 2025 | Cotonou, Benin (basins AAc and QaQc)

- - Raised awareness among staff and local communities on social and environmental safeguard topics
- - Contributed to the monitoring and implementation of HSE measures within the project
- - Produced regular reports on the status of social and environmental action implementation

Data Collection Agent — APECDI (PACOFIDE)

September – October 2024 | Savè Municipality, Benin

- - Verification of the rehabilitation works of old cashew plantations carried out by the brigades

Data Collection Agent — APECDI (PACOFIDE)

October – November 2024 | Nikki Municipality, Benin

- - Verification of the establishment of new cashew plantations by nursery growers

Field Surveyor — ZOOFOR Consult (CILSS area / USAID funding)

August – September 2024 | Benin (30 working days)

- - Inventory of strategic market infrastructure in cross-border areas and of access to digital services in the CILSS space

Data Collection Agent — APECDI (Classified Forests Project – Benin, PFC-B)

April – May 2024 | Savalou, Bantè, Savè, Kétou

- - Analysis of promising value chains and of the honey market around the Dogo, Ouémé Boukou and Agoua classified forests (COTEF – APECDI – APIVALOR consortium)

Technical Assistant — APECDI / Enabel-Benin consortium (DEFIA programme)

September 2023 – August 2024 | Benin

- - Supported farmers in implementing environmental protection measures in pineapple and rice production
- - Mission completed to the full satisfaction of the consortium of firms (APECDI / LYCAON / AIV / AMN) led by APECDI SARL

Data Collection Agent — APECDI (PACOFIDE)

October 2023 | Zakpota Municipality, Benin

- - Collection of the brigades' claims regarding the cashew plantation rehabilitation works carried out in 2022

Data Collection Agent — APECDI (PACOFIDE)

August – September 2023 | Savè Municipality, Benin

- - Verification of the rehabilitation works of old cashew plantations by the brigades

Data Collection Agent — APECDI / ENABEL (DEFIA)

October 2022 – June 2023 | Kpomassè, Ouidah, Tori, Toffo

- - Supported farmers in implementing environmental protection measures in pineapple and rice production

Data Collection Agent — APECDI (APECDI – APIVALOR – COTEF consortium, UIGP/PASE)

May – June 2021 | Benin

- - Participated in the study on beekeeping value chains and the development strategy for promising beekeeping value chains

Data Collection Agent — APECDI (Classified Forest Project)

January – March 2021 | Benin

- - Assessment of land occupation in Benin's classified forests (Dan, Ouémé Boukou and Alibori Supérieur)
- - Proposal of resettlement modalities for farmers in agricultural areas

Data Collection Agent — APECDI (ACDD / PADAAM)

March – April 2020 | Benin

- - Participated in the study to refine the geographic targeting of PADAAM in relation to project beneficiary targets

Zone Facilitator — REV-Développement NGO (PAIA-VO)

August 2019 – August 2020 | Ouinhi, Ouémé Valley

- - Animated and structured the stakeholders of the rice, market gardening and maize value chains in the intervention area of the Ouémé Valley Agricultural Infrastructure Support Project (PAIA-VO)

Assistant — APECDI SARL

2016 – 2020 | Cotonou, Benin

- - Data collection and analysis for the organisation's projects
- - Digitisation of questionnaires with Kobocollect
- - Reporting and training of PAIA-VO and DEFIA project beneficiaries

Founder & Project Manager — Solutions Luciole (TakaCode · Musimaps)

August 2020 – Present | Benin

- - Design and development of digital solutions, web platforms and digitalisation services
- - Project manager for the TakaCode (takacode.app) and Musimaps (musimaps.app) products
- - Sale of digital products on takacode.store
- - Digitalisation of business processes, drafting of specifications, technical and functional proposals
