## PROFILE

Hybrid profile combining **10 years of field experience in agro-economics** (data collection and analysis, value chain studies, monitoring & evaluation, HSE safeguards) with **5 years in web/mobile development** (full stack, Web3, AI, data visualisation). Agro-economist (**Master 1 in Agro-economics**, Professional Bachelor's degree FSA/UAC with honours), I have carried out missions for national and international projects (PACOFIDE, PADAAM, DEFIA/Enabel, PAIA-VO, PFC-B, PAPC, CILSS/USAID, PASE) and built digital solutions for NGOs, companies and agencies (ANOPER, IDID, AIG-Benin/Le Rural, Castro Négocé Inter). Digital entrepreneur (**Solutions Luciole**, 2020), I bridge field data and digital tools: Kobocollect data collection, data visualisation, AI-assisted agricultural data collection applications, workflow automation (n8n), AI agent development, web platforms and Agritech products.
